

MABasic 850

You asked. We delivered.

This brand new machine now completes the MABasic family with its unbelievable economic price and tremendous capacity.

The advantages of MABasic 850

- > 1800 Watts powerful motor
- > 4-stage gear
- > Core drilling from 12 mm to 75 mm - Cutting depth 30, 55 and 75 mm
- > With MT 3 Industrial arbor

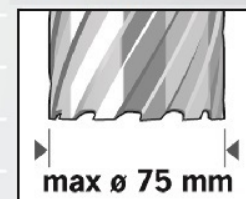

SPECIFICATION

	Motor output:	1800 Watts
	Voltage:	230 V AC; 50-60 Hz
	Stroke:	255 mm
	Swivel Base, adjustment feature:	-
	Magnet size:	110 X 220 X 54 mm
	Weight:	24 Kg.
	Direct arbor:	-
	Industrial arbor:	MT4, 19 mm Weldon $\frac{3}{4}$ "
	Quick change drill chuck system:	-
	Morse taper:	✓
	Speed range 1:	110 min-1
	Speed range 2:	175 min-1
	Speed range 3:	245 min-1
	Speed range 4:	385 min-1
	Permanent internal lubrication:	✓

	Friction clutch:	-
	Torque control:	-
	Full wave control electronics:	-
	Magnet indicator:	-
	Overheating protection:	-
	CW/CCW rotation:	-
	Core drill short 30 mm:	75 mm
	Core drill long 55 mm:	75 mm
	Core drill extra-long 110 mm:	75 mm
	Twist drilling:	31.75 mm
	Reaming:	-
	Countersinking:	-
	Thread cutting:	-

Attached lubrication tank

Core Drilling 12 - 75 mm

Morse Taper 3 machine

ORDER NO.

MABasic 850 / 230 Volt

MABasic 850/ 110 Volt

SCOPE OF DELIVERY

1 Magnetic core drilling machine

1 Ejector pin ZAK 075

1 Plastic carry case

1 Safety lashing strap

1 Hexagon Offset screwdriver SW 5 & SW 7

1 Operating manual
